The Commission, in giving effect to the objects set out in the Tertiary and Vocational Education (TVE) Act No. 20 of 1990, and the TVE Act (Amendment) No. 50 of 1999, has implemented the program to accredit courses conducted by the training institutions, that are registered with the TVEC. It provides the opportunity for those training institutions to award certificates to students under the National Vocational Qualification (NVQ) System.

The courses listed in the annexure I, II, III & IV attached hereto conducted by the respective registered training institutions have been assessed by a two (02) member evaluation panel comprised of a trade expert and a senior officer of the TVEC, appointed by the Director General. The courses were assessed against the requirements set out in National Competency Standards prepared for the purpose of accreditation.

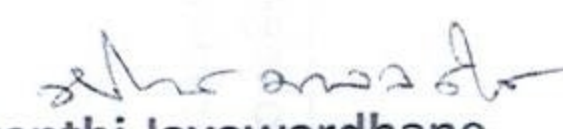

The numbers of courses conducted by respective training providers which are recommended for accreditation and renewal of accreditation are as follows.

Sector	Training Provider	No. of courses accredited - new	No. of courses accredited - renewal
Public	VTA	06	05
	DTET	03	03
	NAITA		
	NYSC		
	Other	09	02
Private & NGO	Private	04	08
Total		22	18

The validity period of accreditation and renewal of accreditation is three (03) years as to the accreditation manual prepared for this purpose.

In terms of powers vested under section (k) of the TVE Act (Amendment) No. 50 of 1999, approval of the Commission is sought to accredit 22 courses and renew 18 courses listed in the annexure attached hereto.
